

**VOTE YES
FOR CV KIDS!**

REPLACE THE LEVY. KEEP THE RATE.

On November 3, 2026, Central Valley voters will be asked to consider approval of a CVSD Educational Programs & Operations (EPO) 3-year **Replacement Levy** that will safeguard essential school programs for our students into the future for 2028 through 2030 at the same maximum estimated tax rate.

I'm voting YES because students succeed when they need & the activities & sports that round out their learning.

My parents are voting YES so I can be a part of the Civics Bowl team & JROTC.

I'm voting YES so schools have everything they need to ensure our student's safety.

I'm voting YES because every student deserves opportunities beyond the classroom to discover their passions.

I'm voting YES for my daughter's HOSA-future health professionals.

My parents are voting YES for my AP class & Cyberpatriots!

I'm voting YES for my grandson's elementary orchestra class.

I'm voting YES because excellent schools help attract families & businesses to our community.

IT'S UP TO US... THANK YOU FOR INVESTING IN OUR STUDENTS

Why do we need to renew this levy?

Our students and schools need your continued support. Please vote YES! by November 3rd for the CVSD replacement Educational Programs & Operations (EP&O) Replacement Levy continuing to help fund teachers, nurses, student programs, athletics, fine arts, special education, safety, and other essential services that state and federal funding do not fully cover. It helps ensure every Central Valley student has the opportunities and support needed to learn, grow, and succeed.

This levy helps bridge the gap between what our schools need and what is funded, ensuring every student across CVSD has access to the opportunities and support necessary to learn, grow, and succeed. The proposed levy continues the district's long tradition of local investment in students—all while maintaining the same maximum estimated tax rate of \$2.50 per \$1,000 of assessed property value.

Strong schools strengthen our entire community! They prepare future leaders, support student success, and help make Central Valley a great place to live and work.

A YES! vote invests in safe schools, educational opportunities, and a bright future for our students. **Vote YES! for Our Students. Our Schools. Our Future.**
